GDPR DATA PRIVACY NOTICE FOR WEBSITE USE

This is the privacy notice of EM Radiation Research Trust for this campaign website

<https://www.the5Gfacts.co.uk>

The EM Radiation Research Trust is committed to protecting your privacy. The purpose of this privacy notice is to inform you as to how we look after your personal data when you visit our website (regardless of where you visit it from). We'll also tell you about your privacy rights and how the data protection law protects you.

This privacy policy only covers The EM Radiation Research Trust campaign website at

<http://www.the5Gfacts.co.uk>

Links within this site to other websites are not covered by this policy.

1.WHO WE ARE AND IMPORTANT INFORMATION

What is the purpose of this privacy notice?

This privacy notice aims to give you information on how we collect and process your personal data through your use of this website, including any data you may provide through this website when you send us a message through our Contact Us page.

This website is not intended for children and we do not knowingly collect data relating to children.

You must read this privacy notice together with any other privacy notice we may provide on specific occasions when we are collecting or processing personal data about you so that you are fully aware of how and why we are using your data. This privacy notice supplements the other notices and is not intended to override them.

1. DATA CONTROLLER(S)

The EM Radiation Research Trust is the controller and responsible for your personal data (collectively referred to as ["COMPANY"], "we", "us" or "our" in this privacy notice). Our contact details are:

Chairman Mr. Brian Stein,
Radiation Research Trust,
Chetwode House,Leicester Road,
Melton Mowbray,
Leicestershire,
LE13 1GA
UK

Third-party links outside of our control

This website may include links to third-party websites, plug-ins and applications. Clicking on those links or enabling those connections may allow third parties to collect or share data about you. We do not control these third-party websites and are not responsible for their privacy statements.

When you leave our website, we encourage you to read the privacy notice of every website you visit.

2. THE PERSONAL DATA WE COLLECT ABOUT YOU

Personal data, or personal information, means any information about an individual from which that person can be identified. You can find out more about personal data from the Information [Commissioners Office](#).

We may collect, use, store and transfer different kinds of personal data about you which we have grouped together follows:

- **Identity Data** includes first name, last name, email address

- **Contact Data** includes business addresses, telephone numbers, email addresses
- We also collect, use and share **Aggregated Data** such as statistical or demographic data for any purpose. Aggregated Data may be derived from your personal data but is not considered personal data in law as this data does not directly or indirectly reveal your identity. For example, we may aggregate your Usage Data to calculate the percentage of users accessing a specific website feature. However, if we combine or connect Aggregated Data with your personal data so that it can directly or indirectly identify you, we treat the combined data as personal data which will be used in accordance with this privacy notice.
- We do not collect any **Special Categories of Personal Data** about you (this includes details about your race or ethnicity, religious or philosophical beliefs, sex life, sexual orientation, political opinions, trade union membership, information about your health and genetic and biometric data). Nor do we collect any information about criminal convictions and offences.

If you fail to provide personal data

Where we need to collect your personal data by law, or under the terms of a contract we have with you and you fail to provide that data when requested, we may not be able to perform the contract we have or are trying to enter into with you (for example, to provide you with goods or services). In this case, we may have to cancel a product or service you have with us but we will notify you if this is the case at the time.

3. HOW WE COLLECT YOUR PERSONAL DATA

We use different methods to collect data from and about you including through:

- **Directly.** You may give us your Identity and Contact by filling in forms or by corresponding with us by post, phone, email or otherwise. This includes personal data you provide when you:
- **Subscribe** to our service or publications;
- **Request marketing** to be sent to you.

4. HOW WE USE YOUR PERSONAL DATA

We will only use your personal data when the law allows us to. Most commonly, we will use your personal data in the circumstances detailed below.

- **Legitimate Interest** This means the interest of our charity in conducting and managing our website campaign <https://www.The5Gfacts.co.uk> to enable us to give you the latest 5G facts and scientific research behind them. We make sure we consider and balance any potential impact on you (both positive and negative) and your rights before we process your personal data for our legitimate interests. We do not use your personal data for activities where our interests are overridden by the impact on you (unless we have your consent or are otherwise required or permitted to by law).
- **Comply with a legal or regulatory obligation** this means processing your personal data where it is necessary for compliance with a legal or regulatory obligation that we are subject to.

PURPOSES FOR WHICH WE WILL USE YOUR PERSONAL DATA

We have set out below, in a table format, a description of all the ways we plan to use your personal data, with the legal bases we rely on to do so.

Note that we may process your personal data for more than one lawful ground depending on the specific purpose for which we are using your data. Please contact us if you need details about the specific legal ground we are relying on to process your personal data where more than one ground has been set out in the table below.

Purpose/ Activity	Type of Data	Lawful basis for processing including basis of legitimate interest
To send you marketing materia/ newslettersl	(a) Identity	(b) Contact Legitimate Interests

Third-party marketing

We will get your express opt-in consent before we share your personal data with any company outside of EM Radiation Research Trust for marketing purposes.

Opting out

The EM Radiation Research Trust is committed to protecting your privacy. We will not share your information (including your email address) with others without your prior consent.

We will get your express opt-in consent before we share your personal data with any company outside of EM Radiation Research Trust for marketing purposes.

5. COOKIES & COOKIE POLICY

You can set your browser to refuse all or some browser cookies, or to alert you when websites set or access cookies. If you disable or refuse cookies, please note that some parts of this website may become inaccessible or not function properly.

For more information about the cookies we use, please see <https://the5Gfacts.co.uk/cookies/>

6. COPYRIGHT

Material on this site is protected by copyright. Unless otherwise stated, no part of this website may be reproduced or used for any purpose other than private personal use without the prior written consent of the copyright holder. Copyright in all materials and / or works comprising or contained within this website remains with The EM Radiation Research Trust and other copyright owners as specified.

7. DISCLAIMER

The information contained on this site gives only general guidance on the issue of Electromagnetic Radiation and Health. It should not be regarded or relied upon as complete or authoritative.

The EM Radiation Research Trust has tried to ensure that the contents of this website are accurate. The EM Radiation Research Trust will not accept liability for any loss or damage or inconvenience arising as a consequence of any use of or the inability to use any information on this website. Visitors who use this website and rely on any information do so at their own risk. The EM Radiation Research Trust does not represent or warrant that the information accessible via the website is accurate, complete or up to date. Availability of information is subject to change without notice.

The EM Radiation Research Trust will not be liable (to the fullest extent permitted at law) for any loss, damage or inconvenience arising as a consequence of any use of or the inability to use any information on this site.

The EM Radiation Research Trust takes no responsibility for the contents of linked websites and links should not be taken as an endorsement of any kind. The EM Radiation Research Trust has no control over the availability of the linked pages.

8. OUR COMMITMENT TO DATA SECURITY

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.
